## Performance Street & Strip

The 40 Series™ is the most aggressive sounding street and strip muffler in Flowmaster's product line. If you are looking for the original "Flowmaster tone," the 40 Series™ is the one. The performance street and strip muffler will also generate interior resonance within the vehicle. So if you want to really hear your exhaust system inside the vehicle as well as outside it, the 40 Series™ is for you.

## Application Recommendations

- Off Road and Race applications.
- Early and Late model street/strip vehicles with or without catalytic converters.
- Original Flowmaster Tone
- Vehicles with dual exhaust tone.
- Vehicles with dual exhaust. \*

\* H-Pipe is strongly recommended in all dual exhaust applications.
